

“Our country started as an idea, and it took hard-working, dedicated, and visionary patriots to make it a reality. Successful businesses start much the same way -- as ideas realized by entrepreneurs who dream of a better world and work until they see it through. From the family businesses that anchor Main Street to the high-tech startups that keep America on the cutting edge, small businesses are the backbone of our economy and the cornerstones of America's promise... Small businesses embody the promise of America: that if you have a good idea and are willing to work hard enough, you can succeed in our country. This week, we honor and celebrate the individuals whose inspiration and efforts keep America strong.”

Barack Obama
President of the United States

(2011 Small Business Week Proclamation)

Dear Supporters of America's Small Business Community:

Every year since 1963, the President of the United States has issued a proclamation announcing National Small Business Week, which recognizes the critical contributions of America's entrepreneurs and small business owners. As you might know, more than half of Americans either own or work for a small business, and they create about two out of every three new jobs in the U.S. each year.

As part of National Small Business Week, the U.S. Small Business Administration takes the opportunity to highlight the impact of outstanding entrepreneurs, small business owners, and others from all 50 states and U.S. territories. Every day, they're working to grow small businesses, create 21st century jobs, drive innovation, and increase America's global competitiveness.

Thank you for helping find and nominate candidates for the most prestigious annual small business awards in America.

Warm regards,

Karen G. Mills
Administrator

All SBA programs and services are provided on a nondiscriminatory basis.

Community/Rural Lender of the Year Award

Following this year's Small Business Week awards, the Office of Financial Assistance has decided to change one of the awards to better reflect the mission and goals of the Agency in a critical business environment. For the 2011 awards, the District Offices were asked to nominate candidates for the 1st Mortgage Lender of the year. This award was divided into a large lender (over \$1B) and a small lender (under \$1B). Because the criteria were hard to implement, very few candidates were nominated. Therefore, this year OFA would like to change that award to recognize an outstanding community or rural lender of the year.
