Your participation in this important team bowling event will help ReadWest, Inc. provide adult literacy services to people in our community who cannot read, write or communicate in English. Illiteracy leads to poverty! Help us change their story through the gift of Literacy!

Four people on a team get to bowl 3 games, shoe rental included. The real fun is the type of game – Nine Pin Alley. If you knock down 9 pins, you get a strike! The scoring is BIG! Medals will be awarded to the players on the winning teams, as well as a team Trophy, donated by Accolades Trophies. A special prize will also be awarded to the top fundraiser – (based on pennies pledged per point and your score. **Participation is optional**).

Represent your business or organization! Come join the fun and support literacy in our community!

Registration is limited to the First 24 Teams!

Please submit this registration form and \$100 to ReadWest, P.O. Box 44508, Rio Rancho, NM 87174, or drop it off at 2009 Grande Blvd. in Rio Rancho by January 26. Thank you!

BOWLING FOR LITERACY PLEDGE SHEET
